To Whom it May Concern:

I am writing to recommend the services of Signum Translations. I have been using Signum Translations for German, Spanish and English translation and interpreter services for the past ten years, and have always been completely satisfied. They do an excellent job, are always punctual, and extremely professional.

We have also hired them on occasion for extra jobs, such as communicating to our prospects and clients autonomously and independent of our staff, to provide great customer service. They have been very reasonably priced, responsive, and have done exactly what we've asked of them.

I'm happy to recommend the services of Signum Translations. If you have any questions, feel free to contact me.
